Woodmuir Primary School

TERM DESCRIPTOR

October to December - Term 2

Literacy

In Literacy, our P1-P3 children will continue to develop their reading and writing skills by learning and revising initial sounds, digraphs and common words through a range of engaging activities. Our P4-P7 learners will be developing their higher-order thinking skills by exploring Bloom's Taxonomy, using questioning, discussion and problem-solving activities to help them think more deeply about their learning and make meaningful connections across the curriculum.

Numeracy and Maths

P1-4

In Numeracy we will be learning about addition and subtraction to 5 and 10 for some. For others we will be learning to add and subtract: two digit numbers within 100; several single digit numbers using number bonds and solving missing number calculations within 100.

P4-P7

In Maths we will be learning about Time in the form of timetables, durations, 12- and 24-hour notation and for some time, speed and distance.

Project Based Learning

This term, children from P1 to P7 will be exploring the exciting topic of The Ice Age. Through a range of engaging, hands-on activities, pupils will learn about how the world looked thousands of years ago when large parts of the Earth were covered in ice. Children will discover fascinating Ice Age animals such as mammoths and woolly rhinos, learn about the lives of early humans, explore cave art, investigate how landscapes changed over time, and develop an understanding of timelines and historical evidence.

P.E.

P1-P7 - Handball

P1 - P7 - Scottish Country Dancing

R.M.E

In RME we will be learning about the Christmas story and drama through the Nativity story. We have chosen to learn about Beliefs and will be learning about beliefs in Christianity-with a focus on Christmas, Hinduism-with a focus on Diwali and beliefs relating to Remembrance Day and Saint Andrew's Day. We will learn about beliefs independent of religion.
